If Level Two or Level Three, please provide rationale for not meeting Level One Compliance

Rationale Pearson Prentice Hall is unable to provide files in Levels One due to the variety of page layout systems used to create the text. These systems are not compatible with specialized formats such as XML or HTML.

**FEATURES****Disclaimer**

The features of each book or program were developed by the publisher and do not reflect the opinion of the State Review Team, State Textbook Commission, or of the Kentucky Department of Education.

**Content**

*REALIDADES 3* is a third-year I Spanish textbook designed to build language proficiency in all students. The program focuses on developing the five "C"s: Communication, Culture, Connections, Comparisons, and Communities. Content and activities are presented in contexts that are authentic both to the culture and to students' daily lives. The textbook addresses the wide range of learning in today's Spanish classroom by providing support for diverse learning styles and by combining print and technology components. This level has been carefully constructed to provide a thorough review and expansion of content from the previous two years.

**Student Experiences**

REALIDADES is a flexible program that allows teachers to customize the learning experience depending on student needs. Content is presented and practiced in a wide range of modalities: visual, auditory, and kinesthetic. In addition, REALIDADES 3 offers

accommodated instruction for student needing extra help, heritage learners and for advanced learners. Through the different components (print and technology) and teaching suggestions, teachers are given support for making instruction accessible to enable all students to experience success.

### Assessment

REALIDADES offers a wealth on assessment options. The Assessment Program includes quizzes for each chapter's vocabulary and grammar sections. It also provides an end-of-chapter test that assesses what student know and what they can do by offers prochievement questions as well as proficiency tasks (listening, speaking, reading, writing, and culture). REALIDADES also offers a Computer Test Bank that provides a wide range of questions (multiple choice, true/false, matching, short answer, essay) that assess chapter objectives. For teachers looking for alternate assessment such as performance-based tasks, each chapter provides either a speaking task (Presentación oral) or a writing task (Presentación escrita) with accompanying rubrics in the Teacher's Edition and the Assessment Program. Additional alternate assessment is found in the Teacher's Resource Book in the Communicative Activities and the Situation Cards.

### Organization

REALIDADES 3 is organized around student-centered themes. The book begins with a review section called *Para empezar* which is followed by ten chapters: *Días inolvidables*, *Cómo te expresas?*, *¿Qué haces para estar en forma?*, *¿Cómo te llevas con los demás?*, *Trabajo y comunidad*, *¿Qué nos traerá el futuro?*, *¿Mito o realidad?*, *Encuentro entre culturas?*, *Cuidemos nuestro planeta*. Each chapter contains two input sections (*A primera vista*) and two practice sections (*Manos a la obra*). This new content is then applied in a section called *¡Adelante!* and reviewed in *Repaso del capítulo*.
